

Dear colleague,

Invitation to PERSIMUNE immunologic colloquium*

April 20th 15.30-16.30, Library room, 3rd floor,
Epidemiklinikken 8632

On behalf of the PERSIMUNE executive committee we hereby invite you to the 8th immunologic colloquium. The main purpose of the colloquiums is to create a platform where persons with interest in research in personalized medicine in immune deficiencies can meet, discuss, strengthen collaborations, get inspiration and make plans for current and future projects.

Please disseminate this invitation to all who may be interested in participating.

Agenda

- | | |
|----------------|------------------------------------------------------------------------------------------------------------------------|
